SAFETY & HEALTH MANAGEMENT SYSTEM AUDIT CHECKLIST

By Peter Dell

Our highly acclaimed Safety Audit Checklist book makes OSHA compliance a breeze.

You will move beyond OSHA compliance by using the checklists for:

- Safety and Health Management Systems;
- Records and Documents;
- General Environmental Controls;
- Purchasing for Safety;
- Monitoring and Measuring;
- Non-Conformance, Corrective and Preventive Action, and
- Audit and Reviews.

Compliance Sections organized in logical manner, covering:

- Emergency Preparedness and Response;
- Engineering, Work Practice and Personal Protective Equipment;
- Hazardous Materials;
- Material Handling, and
- Special Hazards.

At \$29.95 you can't afford to be without the useful tool. Originally developed for a major Japanese/American auto company, now this "must have" resource is available to you.

Organization of chapters follows international ISO format, from Policy, Aspects, Legal, Responsibility, Training, Documentation, Controls, Monitoring, Audits, to Management Review.
